

2023 STRIVE HI SCHOOL PERFORMANCE REPORT

**HANALEI ELEMENTARY
SCHOOL**

Run Date: October 23, 2023

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The 2022-2023 Strive HI School Performance Report is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on federally-required indicators under the Every Student Succeeds Act; in addition to state-adopted measures focused on student equity, achievement and success. These results help inform action for teachers, principals, and other stakeholders.

HANALEI ELEMENTARY SCHOOL

Island: Kaua'i
Complex Area: Kapaa-Kauai-Waimea
Address: 5-5415 Kuhio Highway
Grades: K-6
Principal: Deena Moraes
Phone: 808-826-4300
Website: www.hanalei.k12.hi.us

192

STUDENTS ENROLLED

-- English Learners (EL)
-- students

Economically Disadvantaged (EDS)
61 students

Special Education (SPED)
17 students

Inclusion Rate
16 SPED students in general education classes most of the day

HANAIEI ELEMENTARY SCHOOL

OUR STORY:

Hanalei School is a small rural school known for its unique culture and beautiful setting. It is a K-6 public elementary school serving the Princeville, Hanalei, and Haena communities. It is one of the few schools in the state to receive a 6-year term accreditation with an updated midterm report by the Western Association of Schools and Colleges. Our enrollment averages about 200 students. Our smaller class sizes enable teachers to plan meaningful and relevant curricular units aligned to the Common Core State Standards.

Hanalei School recognizes the range of needs and abilities of all its learners. The school has developed practices of differentiating instruction, implementing instructional strategies, and providing services to those with diverse needs. Most recently Hanalei School has focused on the social emotional needs of our students and staff by introducing the Choose Love curriculum into every classroom.

Hanalei School believes in a well-rounded education and works closely with the PTA board in continuing to offer Enrichment programs such as Physical Education, Art, Music, and Hawaiiiana. With the support from the Aloha Angels/Lions Club, Hanalei School offers a variety of after-school enrichment opportunities including entrepreneurship, gardening, fashion design, sports, and drama.

Technology is also integrated into the curriculum in a variety of ways to support students' access to skill sets required for colleges and careers in the 21st century.

Hanalei School has a 1:1 device to student ratio; enabling students to use technology to collaborate, create and innovate their learning experiences.

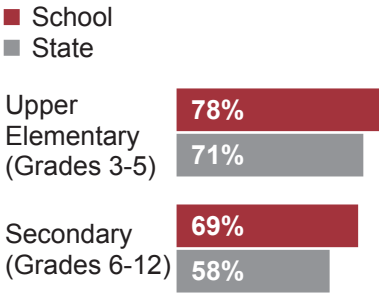

The students of Hanalei School are offered a variety of leadership opportunities such as Student Council, Flag Raisers, Morning Announcers, and Mālama Āina campus clean-up. The Hanalei School Community Council brings together all stakeholders in our school community to discuss and support the school's vision, mission, and goals. Hanalei School's vision is to be an "Empowered school-community that provides successful quality education for lifelong learning." To this end our teachers, and families are united as one Hanalei School O'hana.

HOW DO STUDENTS FEEL ABOUT THEIR SCHOOL?

HOW DO STUDENTS FEEL ABOUT THEIR SCHOOL?

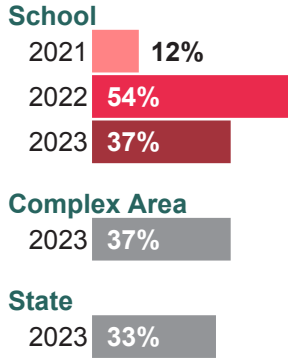

Percent of students reporting positively on the Panorama Student Perception Survey.

HOW MANY STUDENTS MISSED 15 OR MORE DAYS OF SCHOOL?

CHRONIC ABSENTEEISM

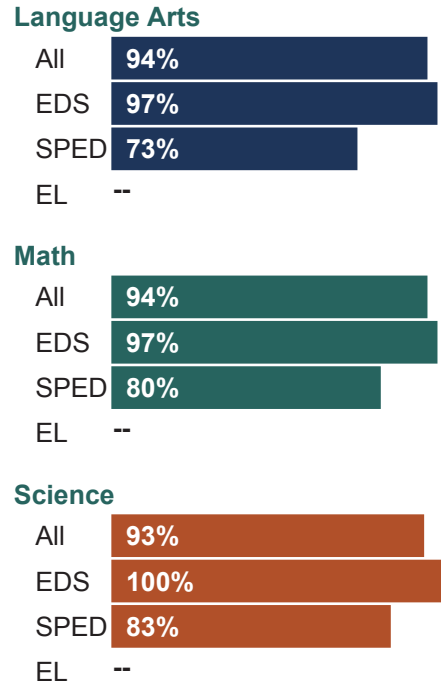

Percent of students absent 15 or more days during the school year.

HOW MANY STUDENTS PARTICIPATED IN THE STATE ASSESSMENTS?

PARTICIPATION

Percent of students participating in state assessments in Language Arts, Math, and Science.

HOW MANY STUDENTS ARE PREPARED FOR TRANSITION?

78% **3RD GRADE LITERACY** of 3rd graders reading near, at, or above grade level.

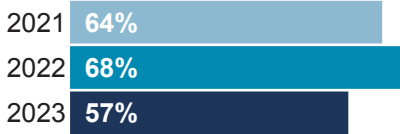

HOW ARE STUDENTS PERFORMING IN EACH SUBJECT?

ACADEMIC ACHIEVEMENT

Percent of students meeting proficiency on state assessments in Language Arts, Math, and Science.

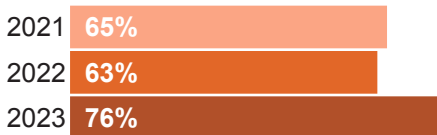

Language Arts

Math

Science

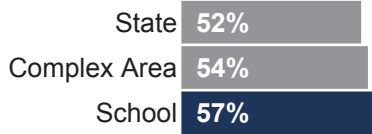

HOW ARE STUDENTS PERFORMING COMPARED TO OTHERS?

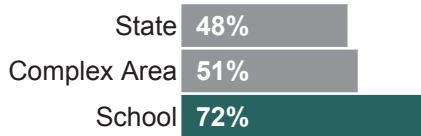

COMPARISON

Compares the percent of students meeting the standard/who are proficient on state assessments.

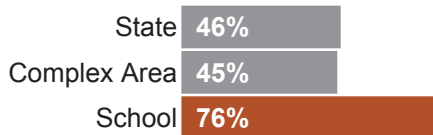

Language Arts

Math

Science

HOW ARE STUDENT SUBGROUPS PERFORMING?

ENGLISH LANGUAGE PROFICIENCY

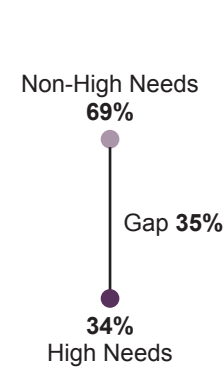

of English Learner students are on-track to English Language Proficiency.

HIGH NEEDS AND NON-HIGH NEEDS PROFICIENCY

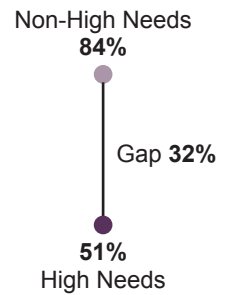

- High Needs: English Learner, Economically Disadvantaged, and Special Education students.
- Non-High Needs: All other students.

Achievement Gap: Difference in proficiency rates for Non-High Needs and High Needs.
